THE TRIBUNE.
 Notwithstanding the enormous increase of expenses attending the publication of THE TRIBUNE, occasioned by the employment of numerous army correspondents and other liberal expenditures, as well as by the advance in the price of paper and other materials, we have resolved, for the present at least, not to increase the subscription price of either our Weekly or Semi-Weekly papers, but to continue to furnish them at \$2 and \$3, respectively, per annum; being the same prices which were established more than twenty years ago, when the cost was only about one-third of what it is at the present time. Our Terms will be found below, and we wish it to be distinctly understood that these Terms will be strictly and literally adhered to, and that no other statements or discounts than those mentioned will be allowed in any case whatever.

NEWS OF THE DAY.

THE WAR.

Information is received of the destruction of the blockade-runner, Night Hawk, on the night of the 29th September, off Chow Inlet, South Carolina, by the Nippon. She was run ashore on the Federal shoals. The Rebel captain, officers, and part of the crew, in all twenty-three, were brought off, the remainder having escaped to shore. The Night Hawk was an English steamer, with a general cargo for Wilmington from Bermuda, sailed from Liverpool Aug. 27, and was owned by that place. Her rate of speed was fourteen knots, and she was of 500 tons burden, cost \$200,000, and had capacity for carrying 800 bales of cotton. Finding the steamer could not be cut off the shoals, she was set fire to, and thus destroyed. It appears that another vessel succeeded earlier in the night in escaping from New-Inlet, although fired at by the Nippon, and apparently struck several times. The daylight drove off a blockade-runner which was attempting to enter New-Inlet on the same morning.

The regular news dispatch from the headquarters of the Army of the Potomac, dated Tuesday, says: "The utmost quiet has prevailed in front of Petersburg since Sunday. In passing over the ground where the Second Division of the Ninth Corps met with the reverse on Saturday, our dead were found entirely stripped of clothing, and two or three of the bodies were horribly mutilated. Several men had evidently been murdered after being wounded, and one body presented a spectacle too horrible even to be described." The steamer from Point of Rocks, which arrived at Fortress Monroe on Tuesday, reports that Gen. Terry had assaulted and captured a Rebel battery on the Newmarket Road.

Rear-Admiral Lee incloses sundry North Carolina papers to the Navy Department, to show that the stringency of the blockade is felt and acknowledged by the Rebels. The Fayetteville Carolinian says: "The loss of the A. D. Vance is a pretty severe blow to our State. She has done noble service for our North Carolina soldiers, and has paid for herself twenty times." The "Lynx" is the name of the steamer blockade-runner chased to shore by our vessels on the North Carolina coast on the 25th ult., and which was destroyed by fire.

The published official record of court-martial cases for the past week shows the conviction of one colonel, one lieutenant-colonel, four majors, two assistant surgeons, fourteen captains, and twenty-one first and second lieutenants. Nearly all of them were dismissed the service for various offenses, including ten or twelve cases for drunkenness, and four on account of cowardice or misbehavior before the enemy.

The United States steamer Neptune sailed from the Philadelphia Navy Yard yesterday afternoon for the East Gulf Blockading Squadron. Among her passengers are Commodore Scribbling, late Commandant of the Philadelphia Navy Yard, appointed to the command of the squadron. The San Jacinto will be the Flagship.

The U. S. steamer Connecticut arrived at Boston yesterday from the Southern Blockading Squadron, having delivered 600 men to the different vessels on the coast. She stopped at Hampton Roads to mail dispatches for Admiral Farragut. She brings no news of importance.

GENERAL NEWS.

The latest intelligence from the Rio Grande is to the effect that the French, while marching from Bagdad upon Matamoros, were badly whipped by Garza. The Rebels covered the retreat of the French. The French at Bagdad are said to be fortifying within range of their ships. A startling rumor reaches us from Mexico. Gen. Miramon is said to have issued a proclamation against Maximilian, and to have captured one-half of the city of Mexico, and to have appealed to the nation to drive out the invader. The rumor is not likely to be true.

Official information has reached Washington that the North Overland expedition, commanded by Capt. Fisk, is safely across to the west side of the Missouri, at Fort Rice, in Dakota Territory. The health of the party was good. Capt. Fisk, on the 23d of August, pushed on to the Yellowstone. An important reconnaissance at a point seventy-five miles north convinced him that the hostile Sioux were all that time on the grounds within the great bend of the Missouri, to the south of that river and north-west of Fort Rice.

Five Professors, composing the Faculty of the New Lutheran Seminary in Philadelphia, were formally installed on Monday evening. Their names are: The Rev. C. F. Schaeffer, D.D., the Rev. C. P. Krauth, D.D., the Rev. W. J. Mann, D.D., and Extraordinary Professors, the Rev. C. W. Schaeffer, D.D., and the Rev. G. F. Drost, A.M.

Two boys named William Dress and Thomas McNamara, ten and twelve years of age, while attempting to cross the Fourth-avenue at Sixty-second-street, on Tuesday evening, were knocked down by a New-Haven train of cars, which instantly killed them.
